

Can you help shape the future Llanfairfechan?

The Llanfairfechan Kickstarter Place Plan presents an opportunity for local people, working together to influence future decisions.

This survey is open until the **15th November 2022** and we are looking for your views on what could be included in the plan.

This survey should take 5 minutes to complete.

If you are filling in a paper copy of this survey, please return it by post or hand it in to: Cyngor Tref Llanfairfechan Town Council, Town Hall, Village Road, Llanfairfechan LL33 0AB or send via email to jayne@llanfairfechan.net

For more information about the Plan please visit

www.placeplans.org.uk/llanfairfechan

You can complete an electronic version of this survey at

www.planningaidwales.org.uk/llanfairfechan

Before we start – about you

Please tick all that apply:

- | | |
|--------------------------|--------------------------------------------|
| <input type="checkbox"/> | I live within Llanfairfechan |
| <input type="checkbox"/> | I live outside Llanfairfechan |
| <input type="checkbox"/> | I am a visitor to Llanfairfechan |
| <input type="checkbox"/> | I run a business or work in Llanfairfechan |

What is your home postcode?

Did you know about the Llanfairfechan Plan before completing this survey?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Are you part of any local clubs, organisations or groups?

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

If yes, what local club(s), organisation(s) or community groups are you part of?

Question 1: If we had £1million to spend on community projects, what would they be?

**** Please only tick 5 ideas**

Young People

<input type="checkbox"/>	'Hangout' Shelters for young people
<input type="checkbox"/>	New Bike Park / Stake Park
<input type="checkbox"/>	Modern & accessible play equipment
<input type="checkbox"/>	Youth activities & facilities for young people
<input type="checkbox"/>	All-weather Multi-Use Games Area

Business

<input type="checkbox"/>	Hot-desk facilities
<input type="checkbox"/>	Co-working spaces / something for homeworkers

Town Centre

- 'Greening' the town, e.g. tree-planting / landscaping
- Improve area in front of Town Hall / Station Road – shopfronts / bunting etc.
- Replace railings around church
- More public art – e.g. sculptures on the prom
- Ask Catholic Church to sell land to rear for markets / parking

Environment

- Diversify green spaces to improve biodiversity / introduce nature reserves
- All new buildings to be environmentally friendly

Health

- Improved access to GP surgeries / doctors
- Fitness track with outdoor gym apparatus & distance markers
- New dog agility park

Housing

- New housing hub – for advice etc.
- Affordable places to rent and buy, for locals and others.

Energy

- Community-led energy scheme – e.g. wind / water power generator

Leisure & Tourism

- Promenade & pavilion regeneration / better access to the beach
- More places to eat
- Water Sports Centre
- Crazy Golf Course
- Turn old parish church into a museum
- Raise our profile as a tourist destination

Bring blacksmiths back into use

Transport & Travel

- Free parking on prom car park
- Repair / resurface prom car park
- Electric shuttle bus
- Proper car park for park & ride
- Reorganise traffic access to town
- Safe pedestrian crossing
- Improve active travel links

Your ideas – what community projects would you spend £1million on?

Question 2: What do we love about Llanfairfechan?

**** Please only tick 5 ideas**

People & Identity

- Sense of community
- Friendly locals / nice people
- Being part of Wales
- Our Town Council
- Yr Iaith Cymraeg / The Welsh Language
- Large number of community groups
- How welcoming we are to visitors

Town & Buildings

- The character of the town
- Good venues – town hall etc.

- Our history & heritage – quarry, arts and crafts houses etc.
- Beautiful houses / variety of architecture
- Appearance – Hanging baskets / planters, green spaces etc.
- Small but not overdeveloped
- The Christmas Tree

Environment

- Local geography / variety of landscapes
- Green spaces
- Beach / sea
- Mountains / hills
- Nature reserves – Nant-y-coed, Morfa, Tyddyn Dryein etc.
- The air / trees

Amenities

- Various Clubs
- Nice, independent shops – but dwindling
- Schools / playgroup in centre of village
- The Pavilion
- Parks
- Places to eat / no takeaways
- Specific shops – Co-op, the plastic-free shop, Butchers, Post Office

Transport & Travel

- Good walks / footpath network
- Transport hub – convenient train station, bus and road access
- Access to the A55
- Proximity to Manchester & Liverpool Airports
- Cycle Path
- Coastal Path

Your ideas – What do YOU love about Llanfairfechan?

Question 3: What should Llanfairfechan look like in 15 years' time (in 2037)?

**** Please only tick 5 ideas**

Community

- Happy people and happy young people
- Well used community / open spaces
- Active community interested in its development

Housing

- More housing?
- Range of housing suitable for all ages, in keeping with town character
- Eco-friendly / retrofitting with insulation etc.
- Fewer awkward absentee freeholders, dodgy landlords, bad tenants etc.

Town & Buildings

- Keep its character
- Smart / digital town
- Well-cared for

Environment

- Green spaces kept as green spaces
- A lot of nature and thriving wildlife

Business / Economy

- Good jobs & economy
- No empty shops
- Thriving businesses with digital excellence
- Jobs for all ages

Transport & Travel

- Roundabout kept and improved
- Good, sustainable local transport
- More electric vehicle charging points e.g. in lampposts
- Electric shuttle bus through village – car-free access

Amenities

- Rejuvenated & thriving shops / high street
- Good pub
- Weekly organic market for local food
- More indoor and outdoor activity places so kids don't have to go elsewhere
- New lights
- Good development of brownfield sites for schools / health facilities
- New combined school that is accessible
- Improved access to river and river walk.
- Convert multi-use centre for young people
- New fitness track for healthy communities / fewer GP referrals
- Beach huts

Your ideas - What should Llanfairfechan look like in 15 years' time (2037)?

Question 4: What are the challenges facing Llanfairfechan – and possible solutions?

**** Please tick the 5 statements you agree with the most a**

People & Community

- | | |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | Making it accessible for all people and ages - funding to improve accessibility for people with disabilities - elderly? |
| <input type="checkbox"/> | Traditional people not wanting change – Embrace and celebrate tradition? |
| <input type="checkbox"/> | Keeping young people in the village – encourage apprenticeships support networks for young people - toddler clubs? |
| <input type="checkbox"/> | Deterioration of Welsh language – drop-in Welsh language speaking centre? Learning to be standardised? |
| <input type="checkbox"/> | Vandalism - community policing? CCTV? |
| <input type="checkbox"/> | Bringing people together / apathy - community engagement from community leaders? Creative engagement and community connectors? |
| <input type="checkbox"/> | Hard to meet new people and make friends - join local groups. Help food bank? |
| <input type="checkbox"/> | Getting the community interested in its development - show what is possible through examples? |
| <input type="checkbox"/> | Not many activity groups for young people – encourage adult volunteers? |
| <input type="checkbox"/> | Economic changes / political issues - Getting more people involved in applications? |
| <input type="checkbox"/> | Population change (more older people, young people leaving) - Talk to older people about what they want or need? Talk to young people to see why they don't stay? |

Environment

- | | |
|--------------------------|-------------------------------------|
| <input type="checkbox"/> | Flooding - rewilding above village? |
| <input type="checkbox"/> | Climate change - Have a local plan? |

Housing

- | | |
|--------------------------|---------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | Overdevelopment of Greenfield sites - reuse existing buildings e.g. flats for young people. |
| <input type="checkbox"/> | Too many AirB&B's and second homes (3) - Limit numbers - planning policy and taxation. |
| <input type="checkbox"/> | Where to have housing - brownfield sites Heath and Old disused buildings? |
| <input type="checkbox"/> | Inappropriate houses built – consider future generations - better planning? |

Energy

Fuel property for heating - Our own windmill or hydroelectric system?

Energy provision - new housing must be eco-friendly?

Transport & Travel

No access to Bangor or Llandudno without using A55 - Introduce train shuttles, boat?

Car parking & Traffic management - Shuttle bus park and ride?

Awful car parks and poor active travel links - funding to replace car park, communication on existing transport links such as shuttle services?

What challenge(s) do you think Llanfairfechan faces - what would you do about them?

Question 5: What are the opportunities for Llanfairfechan?

**** Please tick the 5 statements you agree with the most**

People & Community

More community engagement events and more community events.

Capitalise on community events to Encourage Community engagement

Use green space on prom for events - a marquee or gazebo for rainy days.

To encourage community events and use of facilities.

Regrade school in village to allow Welsh speakers to be in tune with their village school

Places, buildings & heritage

Maximising historical and cultural aspects. Beautiful buildings. Our long history.

Seafront and nearby open spaces. Leading to job Creation

Empty properties and shops. Empty houses could be used

- Reuse existing spaces and buildings
- Reuse the school buildings once new school is built.
- Make the prom 'smart'

Learning

- Use data like the census
- Learn how others have done it elsewhere

Funding

- Transforming towns for Main St. Buildings
- Get funding for events officer and support.

Leisure & Tourism

- Food markets and events on the beach.
- Improve leisure facilities. MUGA and football pitch?
- Toilets down the beach.
- Art exhibitions in large, unused indoor spaces.
- The Institute before as a museum with an arts and craft section?
- Forest School at Nant y Coed

Transport & Travel

- More active travel opportunities
- Link up public transport such as bus and train.
- Better transport links to nearby towns and villages
- Proper car park for park & ride
- Reorganise traffic access to town
- Safe pedestrian crossing
- Improve active travel links

What do you think are the opportunities that should be developed in Llanfairfechan?

Question 6. How can we reach people in the community?

**** Please only tick 5 ideas you agree with most across all categories**

People

- Existing groups, for example youth.
- Not just the same people. Or official range of people.
- Go where people are e.g. pub, school, coop, pavilion, seagrass
- Community Network Pockets building on support offered during COVID
- Ambassadors from different locations and all age groups
- Audit of community groups and develop communications.
- Try to reach people who fall through the cracks.
- Questionnaires to find out what people want.

Events

- Tie into existing events
- Themed event like Conwy Pirate Festival, Food Festival, etc.
- Change location of meetings, for example sailing club outdoors.
- Out of hours, drop in service or hub and during the day
- Go to Pendalar and Pen y Bryn. Wont go to sailing club?
- Events at the town hall, such as dances or music events.
- Street parties or festivals?

Online

- Whatsapp group
- Email newsletter
- Social media

Swag

- 'I love Llan' T-shirts
- Incentives to draw people in – e.g. cheese & wine / activities

Advertising

- Co-op table / physical noticeboard
- Advertising in The Dragon
- Direct Mail
- Pub
- Prepaid postcard survey
- Large notices around town
- Use TV screen in Plas Menai for community notices
- Door-to-door
- Posters
- Accurate information explaining why decisions are made
- Go to where people do existing activities e.g. sports clubs

Your ideas – How can we reach people in the community?

Anything we've missed?
